

## YEAR 5 AUTUMN TERM

### Firs Farm Drivers:

Some examples of how our drivers are applied across this term's curriculum

#### Communication & Language

- Spoken English (standard English) in all subjects
- Literacy skills used well in all subjects including grammar, punctuation and spelling
- Ability to write with an audience in mind and purposefully
- Rich vocabulary used in written and oracy
- Collaboration: working with others to solve problems and complete tasks.

#### Critical Thinking/Problem solving/Self-directed learning

- Active learning through self-assessment and target setting in subjects
- Targets are set by themselves
- Able to evaluate pieces or sequences of work from set criteria
- Understand what they need to do next to improve
- Developing metacognitive strategies
- Having a growth mindset

#### Creativity

- Developing ideas through analysis, comparing, designing to a specification and making

#### Local and Global citizenship

- Understanding of the contrasting communities
- Understanding of our place in a global community
- British Values and the justice system

#### Collaborate/Team work

- Regular paired talk and group discussions
- Peer assessment and positive feedback
- Developing awareness of group dynamics and support and build each other's strengths.
