

School Journey October 2022

Tuesday

**We had a very slow journey yesterday
but arrived to warm weather and a
beautiful view.**

**It was a bit misty this morning but the
sun came out part way through the
morning.**

We have had a busy day with a mixture of a hike, Buggy Building, Zip Wire, Survival, Archery, Jacobs Ladder amongst other activities.

We now have some down time and
after dinner we will be getting ready
for Passport to the World!
